Honeymoon Trail Winery's Pink Catawba 88-point Rating

“Pink Catawba has already been one of our best sellers at the winery, so this will certainly help to promote our wine and region as producing world class wines,” says award-winning winemaker and owner of Honeymoon Trail Winery, Garry Hoover. Honeymoon Trail Winery's Pink Catawba now boasts an 88-point rating by the ALA wine rating. Although some wine critics may deride Catawba wines, this wine is fun, flavorful and mouthwatering. Taking Double Gold in 2006, Honeymoon Trail's Pink Catawba is a medium-bodied, semi-sweet (r.s. 2.5), light and bright wine. The orangy-pink color of the wine has a delightful taste to the palette with a sweet strawberry taste that blends into an apple, then citrus, lingering finish. Although the wine may be served at room temperature, chilled is preferred. This delicate, semi-sweet wine made from the Catawba grape, one of the first Native American grapes used in wine making.

Garry Hoover and his wife Lori established Honeymoon Trail Winery in 2005 in Cambria, NY located along the historic “Honeymoon Trail,” also known as Route 140. Honeymoon Trail Winery is a member of the Niagara Wine Trail.
