**LEONARD OAKES ESTATE WINERY RELEASES NEWS WINES AND
PREPARES FOR GRAND OPENING**

Medina, NY – The newest member of the Niagara Wine Trail USA, Leonard Oakes Estate Winery, is gearing up for a great summer. To start, they will be adding to their all ready diverse tasting list, a Fuji Apple Wine. The Fuji Apple fruit wine will be released on June 14th and is sure to be just as mouth-watering delicious as the apples it is made from! On July 5th will be the official Grand Opening for Leonard Oakes – more details on this event will be posted on their website www.oakeswinery.com. The Grand Opening will also mark the release of their sparkling cider line. The first of these special sparkling ciders to be released is the Sparkling Old English Cider.
