Candidate Found Dead

Storybook Union Presidential Candidate Virginia Wolff was found dead last night. Her body was discovered outside the hall where the union meeting was being held. Her inhaler was in her hand. A sign proclaiming "THE END" was next to the body.

Her husband, Bayo Wolff was devastated. "We share so many interests," he sobbed. "How will I go on."

Union President and can-

didate Buddy Hatchett said, "Virginia has been Vice President for my fifth term as president. I was surprised when she ran against me. I thought we worked well together."

The other officers of the organization: Secretary Grandma Marion and Treasurer Beau Pigg declined to comment.

Detective Christie Agatha is trying to locate the other members of her story, Ginny Pigg, Beau Pigg and

Rhoda Hogg. She asks that anyone with information contact her immediately.

Glo Knight vies for membership

Glo Knight and the Seven Gnomes have applied for membership in the Storybook Characters Union. After many years of performing on their own, they would like to contribute their story to the vast collection and also

avail themselves of the many services the union offers.

When asked why it has taken so long, Glo explained "You need to find a sponsor. Every time we found a character to help us, Virginia would dis-

suaude them from helping us. Bet our application flies through this time. Not that we'd wish anything terrible for her." she hastily added.

Shhhh!

We know we shouldn't be telling you this but....

Virginia Wolff was recently diagnosed with asthma. Word is she was going to file a workers comp claim due to the huffing and puffing.

Rhoda Hogg's marriage appears strong, although other female characters have cast their eyes to the handsome devil.

Someone printed a bumper sticker that says "Virginia is for Losers"

Bayo Wolff has been scouting performance locations but not with his wife.

Buddy Hatchett has been investigating real estate in the Caribbean. "I won't be president forever," he explained.

Beau Pigg was seen driving around in a new red two-seater. He really must understand

budgeting to afford a car on his salary.

Little Red Riding Hood was seen at the Honeymoon Capital of the World with her love Jack Be Nimble.

Little Blue Riding Hood has written a Broadway Show. The Rap lyrics are said to be a bit racy.
